Advoc Junior Meetup 2017

Posted : 9.10.2017

We at Schellenberg Unternehmeranwälte had the great pleasure to host the 5th international Advoc Junior Meetup in Berlin on October 6th and 7th. Lawyers from 11 European jurisdictions have been discussing the legal implications of marketing in the “new media” such as influencer marketing and of the use of social bots. Thanks to everyone for being with us!

ADVOC is the leading international network of independent law firms, with 5,500 lawyers from 95 member firms in 71 countries worldwide. Each member of ADVOC has a proven record of immediate response to the needs of clients of other member firms. Each member is committed to ensuring that all clients will be more than satisfied with the service provided. Members are selected to join ADVOC for their wide experience of commercial work within their region. No fees or commission are charged for introductions.
